

EIGHTY-FIRST ANNUAL REPORT

CITY OF

RUTLAND
VERMONT

FISCAL YEAR ENDING
JUNE 30, 1973

DEDICATION

Whereas,

HENRY P. BATTLES

was elected to the Board of Aldermen for four years, establishing a reputation for integrity and leadership, and,

Whereas,

he honorably and devotedly served the citizens of Rutland as City Clerk for twenty-eight years,

Therefore,

in appreciation of Mr. Battles' thirty-two years of unselfish service, this Eighty-first Annual Report of the City of Rutland is dedicated to his memory.

GILBERT G. GODNICK
Mayor

Attest:

JOHN W. BARRETT
City Clerk

RICHARD WALSH
NORTON
City Attorney

JOSEPH A. ABEL
President
Board of Aldermen

(see photo page fifteen)

SOME GENERAL INFORMATION ABOUT OUR CITY FOR NEWCOMERS AND VISITORS

The Police Department is comprised of 31 regular men, a chief, a captain, a lieutenant (detective), and administrative clerk, 2 traffic clerks and approximately 75 special officers. The Police Department has 5 pieces of major equipment all with two way radio.

The Fire Department is comprised of 24 regular firemen; a chief, 2 assistant chiefs, 2 captains and 2 lieutenants and 10 call firemen. The Fire Department has 12 major pieces of equipment including a Rescue Wagon.

Merchandise and materials purchased by the City must be by a purchase order obtained by all departments (except School Department). The Purchasing Agent is required to put out for bids all merchandise or materials costing \$200.00 or over.

All offices in City Hall are closed on Saturday.

No all night parking is allowed at any time during the year in the Central Business District.

All night parking in the entire city is prohibited from 1:00 a.m. to 7:00 a.m. from December 1st to March 31st, inclusive.

Hours of operation of the City Dump may be found elsewhere in this report.

Zoning Ordinances are available at the City Clerk's Office.

The Municipal Swimming Pools are located on North Main Street (US 7) and White Playground off Jackson Avenue.

The Chaffee Art Gallery is located on South Main Street (US 7).

The Rutland Free Library and Lawrence Recreation Center are located at the corners of Center and Court Streets.

The Rutland Hospital is located on Allen Street, east of US 7.

Rutland Mental Health Service, Inc. is now located at 78 South Main Street.

The Rutland Historical Society is located on Center Street.

The Board of Aldermen of the City of Rutland meet the first and third Monday of each month at City Hall at 7:30 p.m.

The Board of School Commissioners meets on the third Tuesday of each month.

Rutland is a central area of the surrounding ski country.

CITY ELECTION day is the first Tuesday in March—March 5th, 1974.

Copies of individual city ordinances are available to the public.

There are three ice skating rinks located in Rutland and also a small ski tow with instruction available.

Power Lawn Mowers—It is a violation of City Ordinances to use power lawn mowers in such a manner that they blow grass or leaves into the street. (R.O.R. Sec. 4462).

Dog Ordinance is to be found elsewhere in this report.

Pee-Wee Hockey, Rutland Fairgrounds, call Recreation office.

Mayor's Message

To the Citizens of the City of Rutland:

After only a few months as your Mayor, I now realize what a beehive City Hall really is. My office door is always open. The telephones never stop. I find that there are not enough hours in the day for City business.

There were many problems that beset our City, most were solved, several are in the process of correction.

Progress and improvement is my goal. Modernization is a must, we just can't remain static. We will press forward towards implementing those programs that will make Rutland a better City for all our citizens.

We labored with the budget and I am pleased that our tax rate was set at \$7.55. This is only slightly higher than last year, however, we would have even been closer to last year's rate if it were not for increased costs in lights, heat, various necessities and

salary increases which were automatic. These accounted for most of the rise.

Please let me assure you that your City government is being run on a strictly business basis and every expenditure is being screened. We will continue to save every nickel possible all consistent with good services for the citizens of Rutland.

On July 20th the parking restrictions on West Street were removed. The traffic conditions on West Street hopefully will move satisfactorily and the general public as well as the merchants on this street will benefit from normal parking again. It took some doing to have this part of TOPICS changed and we are greatly indebted to Mr. Robert Bigelow for his help in this instance.

There are alterations going on in City Hall which when complete will relocate the City Clerk and Treasurer's offices to the old Fire Station. Their needs have outgrown the present space. When completed these modern offices will have a direct entrance on Strongs Avenue as well as the general offices at City Hall. This expenditure will be met with Revenue Sharing funds.

A major sewer installation program is in progress on Dorr Drive that will give St. Joseph College and nearby dwellings a very necessary outlet.

At important intersections in our City it was necessary to install caution signals and four-way stop signs. They are functioning to advantage at Killington Avenue and Stratton Road, North Main and North Streets, and Temple and North Main Streets.

We have had accidents and traffic jams at Woodstock Avenue, North Main Street and the A&P area for some time. This was corrected and working smoothly by a new in and out driveway at the A&P and the synchronizing of the traffic lights.

I am pleased to report that the Meadow Street land was finally purchased by the City for \$35,000. from the Catholic Charities. This, when eventually revamped, will give the City a much needed playground, ballfield and recreational area.

We are working on plans for the rehabilitation of Pine Hill or Rocky Pond area. This will take some doing as pictures, plats, layouts, costs, etc., must be sent to Montpelier before December 31st. After the legislature meets these plans will be transmitted by Forrest E. Orr, Director of Planning Environmental Conservation Department. He will advise us as to the acceptability of the plan and/or what funding the State may allocate. The State portion would be 25 or 30%, the Federal government share under the B.O.R. Plan—Bureau of Outdoor Recreation, would be 50% which would leave about 20 or 25% as the City's share. The whole project would take five years or more and if accepted, funds would be made available to us on a yearly basis.

We are constantly exploring other areas in our City for

additional ballfields and recreational centers and I am in hopes that we might secure more acreage.

We have been taking advantage of every possible State and Federal program that will in any way prove beneficial to the City. For example, we engaged six people for several of our departments that will help with better service to our citizens. Incidentally the cost to the City for this program is only the necessary insurance that we pay, the Federal government pays their salary for one year. If we find that this work program is entirely satisfactory the City will continue by paying their wages or cancel their employment.

During a violent rainstorm on June 12th the City pumping station was struck by lightning which rendered the station useless. After extensive work and delays in getting parts it was possible to operate the station manually and eventually this situation will get back to normalcy.

Our Civil Defense did yeoman work under the leadership of Aldo Manfredi our Director, during the flood situation on June 30th. The City's thanks to all the wonderful people that helped in this undertaking. Mr. Manfredi is now our full time Director for Civil Defense and is also in charge of our School Crossing Guards which will be implemented with this Fall's school opening. Within a reasonable time we will have a block program plan called Block Mothers, which will give our children more general protection in given areas of schools.

During this flood situation our pre-chlorination facility was put out of commission by high waters and within a few days it was repaired. We are most fortunate that we in Rutland were spared the difficulties of other areas.

Citizens Day was originated inviting all citizens to see the Mayor in his office for any purpose. These were largely attended.

Thomas G. Chesley has now accepted the position of Superintendent of Schools and from his past performances he has a knowledgeable capacity of our schools. We wish him well for the future operations of our school system.

Our Chief of Police Stuart Jenne fell ill in July and I appointed Captain Charles Spoon Acting Chief and Sam Gorruso Acting Captain. Both of these men took over and are doing a very good job.

I would like to thank the Board of Aldermen, all the Department Heads and City employees for their understanding and cooperation. My special thanks to our City Treasurer, Joseph Simonds and City Clerk, John Barrett for their untiring efforts in the City's behalf.

I want to express my heartfelt thanks to all the people of our City for the kind consideration extended to me during my early months in office.

I would also like to thank Lew Salander, my Administrative Assistant for all the help he has given me in the day-to-day operations of my office.

Respectfully submitted, GILBERT G. GODNICK
Mayor

**FISCAL YEAR 1973 - 1974 CITY BUDGET
LETTER OF TRANSMITTAL**

*Honorable Board of Aldermen,
City of Rutland, Vermont*

Gentlemen and Mrs. Stearns:

In accordance with the requirements of Section 83 of the Charter of the City of Rutland, I herewith submit estimates of the various departments for the upcoming Fiscal Year July 1, 1973 to and including June 30, 1974.

I would respectfully bring to your attention the matter of increasing many of the fees in all departments, in particular Public Works, City Clerk. I would request these items be referred to the Public Works and other Committees respectively, and to report back not later than the second meeting in July. Some of the increases will have to be by ordinance amendment.

For some time now the School Department and the Department of Public Works have been talking about the possibilities of the City engaging a professional negotiator who will represent all of the City departments. The School Department this year hired an outside negotiator and the Department of Public Works have been doing their own negotiating, the latter with some help from City Attorney, Mr. Norton.

Matters generally are becoming somewhat sticky and complicated and the time isn't too far off with changing conditions and demands when Rutland will definitely need a professional for this very important work.

Hours of work and days keep changing and our City must be in a position to protect itself and needs someone who is trained to speak with authority and know-how.

It appears to me that the time has come for the City of Rutland to be represented by a professional who has the ability and fairness to handle matters satisfactorily.

Accordingly I am including in the budget the sum of \$5,000.00 as the City's share toward a professional negotiator with the understanding the School Department will provide a like amount.

I would earnestly suggest to the Board that this matter receive your careful consideration and action.

Respectfully submitted, GILBERT G. GODNICK
Mayor

ANNUAL REPORT OF THE BOARD OF SCHOOL COMMISSIONERS AND THE SUPERINTENDENT OF SCHOOLS

To the Honorable City Council and Citizens of Rutland:

During the past school year enrollments in the Rutland Public Schools continued to show an increase. At the elementary level, most of the increase was caused by the closing of St. Peters Parochial School. This school, operated and supported for so many years by the St. Peter's Parish, became a Public School in September, 1972. The school department wishes to acknowledge the cooperation and support of the parents in this area in making the transition from a private to a public school. The Junior High School, which has operated on an extended school day for several years, continues to have increased enrollments. This school, designed for 600 students, is expected to enroll approximately 1,000 students for the 1973-1974 school year. The Senior High School, also designed for 600 students, will go on an extended school day this year. Enrollment will continue to exceed 1,000 students. These statistics point to the school space crisis which faces the citizens of Rutland. Important decisions will have to be made by the community in the near future about its school facilities.

Progress in construction of the new Vocational-Technical School has continued. It is now planned to begin partial operations in the new school about mid-year, and full operation in September, 1974. It should again be pointed out that the opening of this new facility will not solve the enrollment and space problems at the junior and senior high schools. This school, which holds so much promise for the area, is intended to provide vocational and technical programs for the entire area.

The Rutland Public Schools continue to feel the pinch of increased costs, caused by increased enrollment, necessary maintenance work, and inflation. While the Board of School Commissioners have made every effort to control costs, it is not possible to halt the causes of the increases. The citizens of Rutland should seriously consider the present Charter limit in terms of it being realistic over the next number of years.

The Public School Staff continued to develop educational programs to meet the needs of students, both young and old. The Community is fortunate to have an able and dedicated staff.

The Board of Commissioners and the Administration wish to publicly acknowledge their service to the students and citizens of the community.

The Board of Commissioners would also like to express the appreciation of the school system for the cooperation and support of the Board of Aldermen, the Mayor's Office, and all departments of the City throughout the year.

Respectfully submitted,

MARION McKEON, *President*
Rutland Board of School Commissioners

MR. THOMAS CHESLEY
Superintendent of Schools

Area Vocational School under construction at Woodstock Avenue.

Health Officer

*To The Honorable City Council and
The Citizens of Rutland:*

It is the pleasure of your Health Officer to submit, herein, the annual report of the Health Department for the fiscal year beginning July 1, 1972 and ending June 30, 1973.

The Health Department is composed of a three man Board of Health, appointed by the Mayor, and a Health Officer, appointed by the State Board of Health.

Through this department is maintained the control of communicable diseases, inspection services for the maintaining of sanitary plumbing facilities, swimming pool and other places of public assemblage.

306 cases of contagious diseases were reported and quarantined during the year. A monthly chart follows:

CONTAGIOUS DISEASES

Abbreviations

All reported dog and animal bites were investigated and precautionary measures taken. There were no cases of rabies.

This year the free annual immunization clinics in the elementary schools were held in April and June. 259 children were inoculated for immunization against Diphtheria and Tetanus. Dr. Beale, Health Officer, ably assisted by Mrs. McCormack, Miss Burke and Mrs. Plumer, School Nurses, carried out this program.

In October free immunization shots for Influenza were offered to all City employees. 47 employees availed themselves of this opportunity of receive this protection, also 52 Senior Citizens were immunized, in October.

In the opinion of the Board of Health these are worthwhile clinics for the prevention of the fore-mentioned diseases. This department urges all who are eligible to take advantage of these Special Clinics.

A total of 376 samples of water from the city's taps were sent to The Bureau of Laboratories, Vermont Department of Health in Burlington for analysis. 12 samples showed evidence of contamination. This department again wishes to thank the Water Department for their excellent control work on the water shed and at the reservoir, especially Mr. Harry Jasmin and Mr. Rolla Jasmin.

Samples of water from the swimming pools were also sent to the laboratory during the period the pools were in operation.

Many nuisance complaints were investigated and action taken to improve or alleviate the complaint. Numerous plumbing inspections were made.

As Health Officer I would like to express my appreciation for the courtesy and co-operation that I have received from the Mayor, City Council, City Employees, State Board of Health, School Nurses and the Parents and Physicians of the City of Rutland.

Respectfully submitted,

CHARLES D. BEALE, D.O.
Health Officer

Board of Health:

ROBERT W. BEAUCHAMP, Phg.
HARRY RYAN, JR., M.D.
GORDON B. SMITH, M.D.

Milk Inspector

August 15, 1973

*To The Honorable City Council and
The Citizens of Rutland:*

I hereby submit the annual report of the Milk Inspector for the fiscal year beginning July 1, 1972 and ending June 30, 1973.

Six hundred and sixty-five dollars (\$665.00) was collected in license fees during the year and the money turned over to the City Treasurer whose receipts I hold for that amount.

There were 10 licenses issued at the Rutland Fair. 97 Restaurants, Groceries and Cafes, 2 Bakeries, 4 Peddlers and 4 Creameries were also issued licenses during the year.

All Creameries were inspected and approved.

Reports of the laboratory analysis of milk samples taken from the creameries and submitted to the Board of Aldermen were accepted and published in the Rutland Herald.

As Milk Inspector I would like to take this opportunity to thank the producers, plant operators and the State Inspector, Mr. George Severance, for their cooperation during the past Year.

Respectfully submitted,

CHARLES D. BEALE, D.O.
Milk Inspector
City of Rutland

Civil Defense

*To The Honorable City Council and
The Citizens of Rutland:*

I am honored to present to you the annual report of the Civil Defense Department for the Fiscal Year ending June 30, 1973.

During the past year the Rutland City Staff had an opportunity to participate in a three day seminar along with various Civil Defense officials from other communities in the State of Vermont at Stowe, Vermont. The seminar was conducted by various Federal and State Civil Defense staff members. Your Director received much valuable information which was utilized during the Fiscal Year.

The City through its participation in the Federal On-Site Assistance Program was able to attain for only a minimum transportation charge one 150 kilowatt generator for the Department of Public Works (sewage disposal plant) to be used in the event of a power failure at that plant, and one 15 kilowatt generator for the Fire Department to replace an old generator which they used in emergency situations. As other material becomes available we plan on securing as much as possible for the City.

Test exercises involving the City organization and other agencies were held this past year.

The revising and updating of the Civil Defense Disaster Plans are nearly completed.

This office had four alerts this past year caused by weather conditions with possible flood and power failure being the prime concern. In every instance the Communications services were brought to the Emergency Operations Center at City Hall on a stand-by basis.

The City had two occurrences this past year involving Civil Defense. The first being the fire which destroyed a section of the corner block on the corner of Wales and Center Streets. Civil

Defense was part of the operation and had a hand in having the occurrence declared a disaster by the Governor and obtained valuable assistance from the State National Guard.

The second was a natural disaster with rain and flooding threatening a large portion of the City along the East and Otter Creek area. The Civil Defense organization once again was activated and operational throughout the entire period. This occurrence, since it was state wide, was declared a state disaster situation by both the President of the United States and the Governor of Vermont.

In both instances above the State Civil Defense organization played an important role in aiding this office by obtaining additional emergency help from the National Guard. The help received by this office the past year has been greatly appreciated.

I wish to thank former Mayor William Foley, present Mayor Gilbert Godnick, the City Council, City officials and employees and also the Civil Defense volunteers for the wonderful assistance rendered to this office in the past year.

Respectfully submitted,

ALDO M. MANFREDI

Director—Civil Defense

Recreation and Parks

*To The Honorable City Council and
The Citizens of Rutland:*

It is my pleasure to submit to you our Annual Report for the fiscal year ending June 30, 1972.

MEADOW STREET PLAYGROUND:

Negotiations for municipal purchase of Meadow Street Playground were implemented and cruising along toward successful completion when a land survey revealed that the area was more than two acres larger than both parties (Vt. Catholic Charities and the City) assumed. The problem arose late in June when \$35,000 was allocated from the fiscal 1973 General Fund charging the expense to the anticipated surplus for the purchase. As of June 30, a reasonable agreement had not been met, and the \$35,000 allocation was forfeited, and re-appropriated for the new year.

SENIOR CITIZENS:

The present Center located at 117 West Street continues its programs in painting, hand crafts, cards, movies and special programs concerning the particular needs of the elderly, such as: frozen meals, lip reading, visits to shut ins, inter-relationship with local Nursing Homes, and residences for elderly, free monthly blood pressure checks and regular health programs, assistance with Income Tax rebate forms, library service, craft merchandising service and forums on needs of elderly. Newly orientated this year was a produce ordering program and an arrangement whereby the elderly can purchase day old pastries and breads from the First National Stores at a nominal fee. The Center has available identification cards for emergencies with medical information which may be had on request free of charge, also courtesy cards from Carrolls for 20% discounts on prescription drugs. The Department has requested monies from the Revenue Sharing fund to purchase a van to be used in our Senior Citizens Program.

RESEARCH AND DEVELOPMENT OF ATHLETIC AND RECREATIONAL FACILITIES:

It has become increasingly evident that something has to be done in the immediate future on the shortage of fields. A special Committee was formed by Mayor Gilbert Godnick to study the following:

1. Evaluating the existing recreational and athletic facilities in Rutland City.
2. Appropriate short-range planning to meet the immediate athletic and recreational needs of the city.
3. Development of long range planning for new athletic and recreational facilities.
4. Make recommendations to appropriate bodies or agencies regarding the above.

PINE HILL PARK (Athletic Complex):

In November the Department appointed a committee to meet and discuss the Development of Pine Hill as an athletic complex through community efforts. Mr. Leo Keefe was appointed chairman of the committee. Ed Koenemann, State Director, was present to explain the possibility of acquiring BOR funds for its development.

PINE HILL PARK:

In May, Forrest Orr, chief planner for the State Agency of Environmental Conservation toured the Rocky Pond and Pine Hill Park. He was thoroughly impressed with the areas potential and urged the city to apply for BOR funds for 1974, as they will not be available until that time. Rocky pond, located on the Northern boundary of Rutland's 250 acres wooded park was once a popular bathing and picnicking facility until destroyed by vandals. Gioffredi has hopes of establishing an outdoor amphitheater where concerts and plays can be given on the site of the old stonecrusher.

PINE HILL (Day Camp):

Pine Hill Day Camp opened July 17, for children 6 through 12, for four one week sessions. The program was newly initiated and proved to be most successful. Campsites were built amid cool pine timbers. Paths made by the campers extended up into the stonecrusher area where the boys were roughing it and the girls sites, nearer to the edge of the woods were more complete. The

U.S. Army reserve donated a water tank for fresh cooking and drinking water. Each camp group, named after an Indian tribe, had one overnight and a cookout. Campers worked toward their camp-craft badges. Before being awarded badges the children had to show they knew how to build a fire, cook a meal and recognize certain types of trees. Camp wound up with a big bonfire, and an Indian type celebration under the watchful gaze of their parents. Campers performed skits, sang Indian songs, and told the audience of the history of various Indian tribes for which they were named. Camp-craft badges were then awarded.

PARK ATTENDANTS:

Two Johnson State College students, under the work-study program of Student Internship in Economic Development (SIED) of Vt. Cities and Towns patrolled city parks and recreation areas from dusk to dawn for twelve weeks. Vandalism has been a major problem for the Department with the breaking of park benches, globes, trampling small shrubs, littering, and break-ins, but with the help of these students, vandalism was cut considerably.

DOWNTOWN BEAUTIFICATION:

Multicolored flowers were planted in the concrete urns by Department personnel on the city's downtown traffic island. This was the extent of this June's program as only \$200 of the original appropriation was left from last summer.

SAFETY PATROL PICNIC:

The Safety Patrol Picnic for Bennington and Rutland County students was again held at the Rutland Fairgrounds under the sponsorship of the State Department of Public Safety. The Recreation Department the last two years has been in charge of their games, sports and activities.

MINI PARK (Kiddy Korner Play Area):

A supervised recreational type program for both boys and girls, age 4, was held at the mini park for five weeks. Program included story-telling, arts and crafts, games, coloring, rhythm band, etc.

DR. RALPH H. SEELEY, JR.:

In memory of Dr. Ralph H. Seeley Jr., who passed away on June 8, after a long illness, the family requested that all contributions be made in his name to the Recreation Department for an additional public tennis court.

SPRING AND SUMMER EVENTS AND PROGRAMS:

Five City Playgrounds opened June 19.

Rotary Field	Meadow Street	Northeast
White		Northwest

MARDI GRAS III:

Our third annual Carnival in the Park was held July 6. Each of the city's five playgrounds designed their own games ranging from bob for apples and rope climb, to weight guessing and dart throw. Winners received lucky-bucks which were redeemed for prizes donated by local merchants. Proceeds were donated to the American Red Cross flood disaster fund.

CONTINUING ACTIVITIES:

Tennis Lessons—youth & adult	Playgrounds (5)
Tennis Tournaments—youth & adult	Golf Lessons—adult & youth
Softball Leagues—women & girls	Rock Concerts
Softball Leagues—elementary boys	Band Concerts
Softball Leagues—(3) adult men	Baseball—Midget League (age 10-12)
Basketball League—High School	Baseball—Mitey Mites (age 7-9)
Basketball League—Adult	Baseball—Junior League (13-up)
Swimming Pools (2)	Bike Hikes
	Fishing Derby
	Day Camp

FALL AND WINTER PROGRAMS (youth):

Junior Stamp Club	Ice Hockey
Arts & Crafts	Junior Chorus
Cheerleading Classes	Easter Events
Cheerleading Clinic	Girls Gym
Drama Club	Flag Football
Open Gym	Teen Dances
Horseback riding	Babysitting course
Wreath Making	Folk Dancing
Girls Drill Team	Creative Movement
Teen Cellar with pool, ping pong	Modern Jazz
Shuffleboard, pin-ball & bowling machine	Karate
Skating Rinks (2)	Baton Clinic
	Halloween Parade
	Modern Dance

CHRISTMAS EVENTS:

Our annual childrens party was held at the Recreation Gym with a carnival of games and prizes. Appearing this year with Santa was Mrs. Claus who read Christmas Stories to the children. Entertainment and refreshments followed. Wreath making for children grades three through six was held at Rotary Field House. Toys were again distributed to needy families. Teen Council members placed large boxes in local Department stores where they were filled by generous donors. Many office groups contributed and families having used, but good conditioned toys, also gave. The council members then boxed them and the Department staff made the deliveries. A Nativity scene was erected in Main St. Park for the first time this year through the cooperation of the Department and Rutland High Art students.

MICHAEL COLEMAN AWARD:

Terry C. Cox was the recipient of the sportsmanship award trophy which is given in memory each year of Michael H. Coleman. The trophy is a rotating one and is kept in the boys school for a year.

ACTIVITIES AND PROGRAMS—Adult:

Volleyball—Mens & Womens	Stamp Club
Sauna Bath	Coin Club
Weight Room	Chess Tourneys and Club
Coronary Prevention Program	Yoga
Adult Basketball League	Karate
Womens Slimnastics	Womans Sports Club
Dog Obedience Class	Square Dance Club & Lessons
Maple Leaf Cat Fanciers	Ski Touring for Women
Rutland Family Campers	Ski Tow
Indoor Tennis Lessons	Skating Rinks (2)
	Ping Pong Tourney

LONG RANGE PLANS:

1. Proposed improvement and development of Meadow Street Playground area.
2. Special Park for Senior Citizens.
3. Development of Pine Hill into a natural environmental area.
4. Construction of a sports complex near Pine Hill that will include football and baseball fields and tennis facilities.

5. Construction of wading pools at various neighborhood playgrounds.
6. An Indoor Rink.
7. Continuation and expansion of Departments municipal beautification program.

FISCAL NEEDS FOR THE DEPARTMENT ARE:

More Maintenance Equipment
Main Garage
Handball Courts
Fill for White Playground
Tennis Courts
Ballfields (Baseball and softball)
Lighted fields
More Mini Parks

I would like to again thank the Mayor, Board of Aldermen, members and citizens of Rutland for their past and continued encouragement. I would also like to thank my staff, Patrick Slatery and the Herald staff, Frank McCormack and the WHWB staff, Tiny Hare from the WSYB staff, Tom Fagan, Myles Pratico, The Teen Council, Atty. James P. Carroll, Thomas Chesley and the School Board, Chris Webber, Mr. Donald Parker, Judge Howard Douglas, Vermont Cycle for their donation, and all the Midget League Coaches and all our volunteers.

Total expenditures for the Department	\$142,273.26
Total receipts	16,937.39

Respectfully submitted,

JOHN W. CIOFFREDI
Supt. Recreation and Parks

Fire Protection

To the Honorable City Council:
Gentlemen and Mrs. Stearns:

I hereby submit to you the annual report of the Fire Department for the year July 1, 1972 to June 30, 1973.

The Department responded to 374 alarms as follows: Telephone 280, Street Boxes 68, Automatic fire detection systems 18, and Verbal 8. The Department also responded to 451 so-called "Special Service" calls of various nature. The Rescue Truck responded to 134 calls. There were 66 malicious false alarms. There were four General Alarms.

The year 1972-73 had the poorest fire record in 67 years, both in financial loss and loss of human life. There were six lives lost by fire during the year, one in July of 1972 and five on January 7, 1973, when the old Hotel Berwick block was totally destroyed.

The value of buildings involved in fire was \$2,159,699.00. The insurance carried was \$2,603,050.00 and the amount paid was \$680,015.00.

Apparatus

- 1 1963 Maxim, 1,000 G.P.M. triple combination
- 1 1963 Maxim 750 G.P.M. Quadruple combination
- 1 1969 Maxim 1,000 G.P.M. triple combination
- 1 1969 Maxim Intrenation 750 G.P.M. combination
- 1 1957 Maxim 85 foot aerial truck
- 1 1966 Chevrolet rescue truck
- 1 1968 Ford lighting truck
- 1 1967 G.M.C. pick-up truck
- 1 1971 G.M.C. aerial lift truck
- 1 1943 Jeep roadster
- 1 1968 2½ ton cargo truck
- 1 1973 Pontiac sedan
- 1 1947 750 G.P.M. Buffalo triple combination in reserve
- 1 16 foot row boat and trailer

Public Works Dept.

To: *The Honorable City Council and
The Citizens of Rutland*

It is both a pleasure and an honor to hereby submit the Annual Report of the Department of Public Works for the year ending June 30, 1973.

Public Works projects providing lasting benefits to all of our citizens can best be accomplished out of careful advance planning and teamwork by our taxpayers, our elected governmental officials and this Department. Within our Department our goal is to first agree, then build. Again, I ask for your assistance in permitting us time in planning to prevent future problems, while we answer in an ordered manner existing complaints.

STREETS AND SEWERS DIVISION**Streets**

The annual "Hot Mix" (bituminous concrete) continue; some 11,204 tons of hot mix overlay were placed by our paving contractor, Vermont Paving on 43 streets for \$113,205.56.

The streets paved (or portions of) were as follows:
 Woodstock Ave., Pearl St., Adams St., Lincoln Ave., Church St., Upland Dr., Westview Ave., Grove St., Giorgetti Blvd., Catherine Dr., Stratton Rd., Sheldon Pl., North St. Ext., Norton Pl., Rutland Ave. (also curbed), Laverne Dr., Victor Pl., Harrington Ave., Piedmont Dr., State St., Crescent St., South St. (also dug up and curbed), Post St., Summer St., Strongs Ave., Charles St., Alta Terrace, Edgerton St., Jasmin Lane, Hillcrest Rd., High St., Highland Ave., Crown St., Dartmouth St., Southern Blvd., Perry Lane, Avenue A, Foster Pl., Mt. View Drive, Belmont Ave., Aiken Pl., Howard Ave., Burnham Ave., and the Rutland High School Parking area on Church St.

Our mileage record for the four years of the "Hot Mix" paving program is:

1969	8.02	L. M. Pike
1970	9.25	L. M. Pike
1971	5.84	Vt. Paving
1972	7.53	Vt. Paving

30.64 Miles

The surface treatment program also continues, consuming 34,312 gallons RS-3K, 484 tons of grits and 1,141 tons of peastone at a cost of \$12,339.64. Some 675 tons of cold patch costing \$5,564.00. Streets included in this program were:

Cramton Ave., Hazel St., Evergreen Ave., Greens Hill Lane, Shedd Pl., Stratton Rd., Northeast Dr., Green Knolls Lane, Rosemary Lane, Leonard St., Ripley Rd., Brightview Ave., Post St., Marolin St., Emeritus St., Park Ct., Belmont Extension, Jefferson St., Irving Hghts., Hayward Ave., Mussey St., Upland Dr., Oak St., Fairview Ave., Geno Ave., Earl St., Charter Hills, Brentwood Dr., Woodland Dr., Newport Dr., Durham Dr., Victor Pl., Traverse Pl., Noyes Ave., Water St., Perkins Rd., Curtis Ave., Allen St., Gilrain Ave., Freeman Ave., and Healy Lane.

Major equipment items purchased during the year were as follows:

a one-ton GMC dump truck, a portable screening plant and a hydraulic backhoe.

Our progress on answering curb and sidewalk private requests is caught up to 1972 requests. We installed 1,294 feet of new concrete curbing and 885 square feet of new concrete sidewalk; replaced 689 square feet of concrete sidewalk. Hot mix curbing was installed on Rutland Avenue, Grove Street, Giorgetti Boulevard, Catherine Drive, Westview Avenue, Allen and South Streets, measuring 4467 feet. Hot mix sidewalks were installed on Fairview, Pierpoint Ave., Park St., Allen St., Temple St., and Lincoln Ave. measuring 5,729 linear feet.

Sewers

Sewer Main Projects:

Forest Park Housing	237 feet	8" VCP storm sewer
Marolin Street	82 feet	8" VCP sanitary sewer
Charter Hills	320 feet	8" VCP sanitary sewer
Ash Street	210 feet	8" VCP sanitary sewer
Temple-Thrall-Clark	1430 feet	12" CSP storm sewer
	3180 feet	18" CSP storm sewer

Service Connections Installed	77
New Manholes	3
Manholes repaired	5
New Catch Basins	17
Catch Basins Rebuilt	27
Catch Basins Repaired	19

Equipment Purchased: 4 Portable Electric Pumps.

Winter Maintenance

The winter of 1972-1973 had a total accumulation of approximately 72½" of snow. A total of 3,190 tons of salt were used costing \$49,860. Contractual services for snow removal cost

\$3,528. The purchase of two snow blowers was helpful in relieving sidewalk conditions.

Solid Waste Disposal

Our expensive Landfill Dump operation, now in its third year, no longer closes during the lunch hour! it is open from 8:30 a.m. to 4:30 p.m.; six days a week. The Stump Dump at the landfill site operates five days a week to receive demolition materials and brush only.

Haulers are now licensed depending on the capacity of the vehicle.

15 to 30 yd. capacity	\$200 per year
15 yd. capacity	\$150 per year
5 to 10 yd. capacity	\$100 per year

New Dump Permits were instigated effective April 26, 1973, towns being designated by different colors. We are continuing to use near Hibbert Pond, adjacent to Calvary Cemetery for the disposition of trees cut under contract.

The Junk Car Program is still effective, disposing of junk car and bulky metallic wastes, such as stoves, refrigerators and the like.

Tree Program

	1970-71	1971-72	1972-73
Removed	88	149	111
Planted	5	35	162
Sprayed	1600+	—	—
Stumps Removed	69	130	148
Exp. Elm Injection	—	—	—

Elm at Main St. Park
Main and West Street

February 27, 1973 we started a new reporting procedure for trees; now when a person calls inquiring or complaining about a problem related to trees, they receive a tree report indicating what is to be done, who is responsible, and priority required. Forty-five reports were issued up to June 30.

WATERWORKS DIVISION

The Waterworks Division is subdivided into the services of Water Resources, Water Treatment and Water Distribution.

Water Resources

New homes, an office complex and additions to existing homes are some of the increased land uses within the Rutland City Watershed. The unanswered question still remains, "how much development can the watershed sustain and remain Class A".

The State of Vermont's present Act 250 and 252 and the Land Use Plan to be adopted, are helpful in assisting us in our watershed surveillance. Our watershed regulations require adoption by the Board of Aldermen.

A close surveillance and patrol of the 35 miles of brooks is conducted. The good work of our municipal forester supplied by the State of Vermont at no payroll cost to the City is appreciated.

The 300 raw water and over 400 treated water samples taken indicate our water is of good quality. Chemical samples which have been good are becoming progressively better.

Our City's water system was upgraded to "provisionally approved" status as an interstate water carrier by the United States Environmental Agency. The continued surveillance of the watershed, the installation of more reliable equipment in our chlorine house, thus eliminating many of the mechanical breakdowns that were responsible for periods of chlorine outages; and prechlorination at the intake were some of the factors leading to the City being taken out of the undesired "use prohibited" classification.

Water Treatment

New centrifugal pumps were installed at the Chlorine House replacing the old piston type pumps. A new vandalism light was also installed at the Chlorine House.

The chlorination metering equipment was completely overhauled.

Prechlorination at the reservoir intake was started again in April, 1973. Marble rip-rap has been placed approximately 3/4 of the way around the reservoir.

An estimated 1,518,179,300 gallons of water was treated.

Equipment purchases were:

PH Meter, Chlorine Safety Kit, Chain Saw, Brush Saw.

WATER POLLUTION CONTROL PLANT

As this is the last report Mr. Herbert Erickson will prepare for me in his short term as Plant Superintendent, due to his imminent retirement in 1973, please permit me to quote his report verbatim:

"I hereby submit to you the Annual Report of the Water Pollution Control Plant for the City of Rutland.

A total of 1,432,280,000 gallons of sewage and storm water was processed at the plant during the past year.

Ninety-nine and one fourth yards of grit was removed from the system together with a large quantity of rags, cans, leaves, sticks, stones, bricks, etc.

In October, J. R. Carrigan, plant superintendent, retired

after 10 years of service. Also, in October, J. R. Rousseau was forced to retire because of illness.

In November the gas line in the #2 Digester was broken which forced us to discontinue this digester.

July 19, 1972, the 20" force main from the River Street pumping station to the main plant broke forcing us to relay the entire main at a cost of \$49,691.38. The plant was back in operation August 9.

Our flow recorder has been out of commission on two occasions since the first of the year; once from January 4, 1973 to January 19, 1973 and again from May 24, 1973 to June 30, 1973.

Lightning knocked our main control panel at the River Street Pumping Station out on June 12, 1973, and we did not operate until June 26, 1973."

Water Distribution

New water main extensions were as follows:

Sheldon Place, 136 ft. 6" CIP; Campbell Road, 270 ft. 8" CIP; Chater Hills, 118 ft. 8" CIP; Butterfly Ave., 40 ft. 6" CIP; Strongs Ave., 648 ft. 10" CIP; and 20 ft. 6" CIP and Philips St., 556 ft. 6" CIP.

	1971-1972	1972-1973
Main Extensions	447	1788
New Hydrants	2	11
Hydrants Repaired	17	2
New Service Connections	52	42
Relay Services	15	16
Curb Boxes (including valves)	62	2
New Meters	607	55
Repair Mains	11	5
Repair Valves	3	1
Relay Main	2	1
Install Blow-offs	8	5
Install Valves	5	5

Valve Project

Valves Exercised and Oiled	300+
Valves Found Inoperative	6+
Valves Bypassing	15+
Valves Needing Corrective Maintenance (done)	75

Purchases of major equipment were a GMC 1/2-ton pickup truck, gas tamper, 3" diaphragm pump, and a Model B tapping machine.

ENGINEERING DIVISION

Activities this past year are summarized as follows: Temple-Thrall Storm Sewer Project; South Street Reconstruction Project; Curb and Sidewalk Projects, Preliminary Survey—Dorr Drive and Clement Road Sewerage Project, Tree Complaints—investigations and reports, Tree Planting Program, Building Permit—investigations and reports, Sewer and Water Main Extensions—line and grade, Landfill—Vocational Tech High School and City, North Street Extension—Hillside Road—survey and layout, Streets—line, grade and paving program; Meadow Street Playground— preliminary research, White Playground Survey, Forest Park Drainage Project, TOPICS—work with consultant, preparing right-of-way descriptions for Phase 4; Project Estimates for Budget.

Municipal Engineer, Warren Conner resigned in May, 1973.

ADMINISTRATION

Effective January 1, 1973, in the interest of keeping records for efficiency purposes, we kept track of the following activities and services rendered to the public:

Incoming Mail	3511
Outgoing Mail	1120
Incoming Phone Calls	2227
Outgoing Phone Calls	598
Outgoing Long Distance Calls	109
City Maps Given Out	267
Dump Permits Given Out	886
Visitors in the Office	671
Xerox Copies	13,743
Work Orders Issued	903

The following people retired: John Carrigan, John Rousseau and Mary Rielle.

I wish to thank His Honor, Mayor Gilbert Godnick, Former Mayor William Foley, the Honorable Board of Aldermen, my fellow Department heads, other City officials, all the hard working members of the Department which I proudly head, and the citizens of Rutland for their continued cooperation and assistance

Respectfully submitted,

LYMAN H. STYLES, JR.
Commissioner of Public Works

Building Inspector

*To The Honorable City Council
City of Rutland, Vermont*

Gentlemen:

It is my pleasure to submit to you the annual report of the activities of the Building Inspector's office for the fiscal year ending June 30, 1973.

The addition of Mr. Laurent A. LaMontagne as Assistant Building Inspector on a full time basis and the adoption of Chapter 14 "Certificate of Occupancy" ordinance by the Board of Aldermen, becoming effective January 19, 1973, has made it possible to strengthen the inspection program of this department. The Inspection Program has been closely coordinated with Chief Alfred Koltanski, Fire Marshall, and Dr. Charles Beale, Health Officer.

APPROVED BUILDING PERMITS

41	—	New Houses	—	\$1,069,080.00
4	—	Mobile Homes	—	19,000.00

I wish to thank his Honor, the Mayor, the Honorable Board of Aldermen, the Zoning Board of Adjustment and all other city departments for their cooperation and assistance.

Respectfully submitted,

JAMES B. CRANDALL
Building Inspector

Board of Zoning Adjustment

*Honorable Mayor Godnick
The Honorable City Council
Rutland, Vermont*

I hereby submit the report of the activities of the Board of Zoning Adjustment for the year 1972-1973.

We had a busy year. We approved permits for new buildings, for homes, and business, doctors offices and pharmacy.

Permits for home industries such as gift shops, home made articles, aquariums and pet supplies.

There was also a trend for doctors, lawyers, realtors and others to open offices in some of our old homes, away from the business district.

Several mobile homes were put in use around the City and many variances were granted where it was necessary to avoid a hardship.

We had some changes in our personnel on the Board this year. Mr. Elroy Chase who has served as Chairman for the past 25 years, resigned on account of ill health. He was a most conscientious and faithful servant, always looking out for the good of the people as well as the principle of zoning.

Joseph Vargas, Jr. was elected as chairman and Peter Goshgarian was appointed to fill the vacancy of Mr. Vargas.

In closing we wish to thank our Honorable Mayor Godnick, Members of the Board of Aldermen, our Zoning Administrator and all the other city personnel for their cooperation and assistance at all times.

Respectfully submitted,

MARY V. QUIGLEY, *Secretary*
Board of Adjustment

Constable and Tax Collector

To the Honorable City Council:

Gentlemen:

I hereby submit my report as City Constable and Tax Collector for the period from July 1, 1972 to June 30, 1973.

Delinquent poll taxes, real estate and personal property taxes collected amounted to \$111,826.70. Delinquent water rents and sewage disposal bills were also collected in the amount of \$16,171.42 for a total of \$127,998.12.

To His Honor, the Mayor, the City Council, the City Attorney, City Officials and employees my sincere thanks for their assistance and cooperation.

Respectfully submitted,

L. BERNARD WATERMAN
Constable and Tax Collector

Police Protection

*To the Honorable City Council
City of Rutland, Vermont*

Gentlemen,

I respectfully submit the annual report of the Police Department for the fiscal year ending June 30, 1973.

The total strength of the department now stands at thirty-two officers, one records clerk, two traffic court clerks, three parking enforcement officers and a full time Dog Officer.

Officers John Bourne, John Davis and Mrs. Aleen Bickmore, records clerk, resigned during the year. Officer Jack Thein also resigned as the City Dog Officer. Two new Officers were appointed—Officers Bernard Mulcahey and Russell Strong, Jr., Mrs. Judith Carroll was employed as records clerk and Special Officer Raymond Plante, Jr., was employed as the full time dog catcher.

The planning for a new station was temporarily suspended due to a justified lack of funds. The need for adequate facilities is still critical and a remedy for this situation should remain of highest priority.

Officers of the department attended training courses as follows: All officers attended a course of instruction in new DRIVING UNDER THE INFLUENCE procedures conducted on 15 and 16 May 1973 by the State's Attorney's office. Attending a RADAR TIMER OPERATOR'S course, conducted by Tribar Industries Inc., were Officers Caulin, Malosky, Ruggiero, Grazini, Morgan, Taylor, LeClair, Mulcahey, Tuepker, Vallie & Williams. Attending a 30 hour BASIC POLICE IN-SERVICE School conducted mainly for Special Officers from 20 Feb. '73 through 9 Mar. '73 were Sgt. Gorruso, Officers McCarthy, Zaceski, Oberg, Thein, Strong, Leonard, Plante, Carroll, Hance, Nolan, Kelly, Coursey, McDonough, Hall, Randlett, Mero and Harrison. Attending a 30 hours BASIC POLICE COURSE again conducted mainly for Special Officers from 11 June '73 through 22 June '73 were Chief Jenne, Officers Piggrem, Fletcher, Casey, J. Carroll, Elder, Hayles,

Manfredi, McFarren, Perkins, Salander, and Shorey. Attending a 50 hour BASIC COURSE IN TYPING conducted by the School Department at the Rutland High School starting on 30 April '73 were Sergeants Ballou and Gorruso and Officers Cameron, Packard, Fox, McCarthy, Roussil and Stickney. Detective Williams attended a 28 hour course in JUVENILE PROCEDURES conducted from 2 Oct. '72 through 6 Oct. '72. Officers Vallie and Mulcahey graduated from the REGULAR OFFICERS BASIC TRAINING COURSE at the Vermont Police Academy in Pittsford, Vermont and Officer Russell Strong is presently attending the course at the Academy.

I would like to express the appreciation of the entire department to all other law enforcement agencies, the press, radio and television people, who have assisted and worked along with us.

Chief of Police Stuart D. Jenne is presently absent due to serious illness, but the report is that he is doing real well and we hope that he will be back with us soon.

I extend my thanks to his Honor, Mayor Gilbert Godnick, the Honorable Board of Aldermen and City Officials who have helped in many ways.

Respectfully submitted,

CHARLES E. SPOON
Captain, RPD
Acting Chief of Police

Altar at St. Peter's Church where Mayor Godnick presented Resolution of Appreciation in observance of the Centennial Celebration.

City Clerk

*To the Honorable City Council, City of Rutland, Vermont
Mayor Godnick, Gentlemen and Mrs. Stearns:*

Herewith as required by Vermont Statutes, the City Charter, and Ordinances of the City of Rutland is the report of the Office of City Clerk as mandated for the period 1 July 1972 to 30 June 1973.

We note with sorrow the passing of former City Clerk Henry P. Battles this past year. His efficient years of service to the city will long be remembered by his many friends and associates.

With the cooperation of former Mayor Foley and final approval of the Board of Aldermen problem of additional space for this office and the city treasurer has been solved for what I would predict at least 20 years. It has been extremely difficult to perform the duties of this office for some years now in the efficient manner the public expects of us. Hopefully we will be moving to the new quarters this November and I would be remiss if I did not thank the entire administration for their support. The Food Stamp Office now located elsewhere in the building will be in our new location which will make it much easier for those persons now who have difficulty with the stairs.

As clerk of the Board of Aldermen I report the business of the board continues to increase as it did last year, committee work continues to increase as evidenced by committee meetings almost every night of the week.

Our new agenda seems to be working out quite well mailed out on Thursday prior to any regular meeting so that all officials and departments may be aware of upcoming business of the Board of Aldermen.

Vital statistics will be found elsewhere in this report. The report of the Food Stamp Office will be found elsewhere in this report.

Many thanks to former Mayor Foley, Mayor Godnick, the Board of Aldermen, and other departments for their cooperation and assistance.

Sincere appreciation to the faithful and efficient employees of this office.

Respectfully submitted, JOHN W. BARRETT
City Clerk and Purchasing Agent

**OFFICE OF THE CITY CLERK
REPORT OF VITAL STATISTICS**

For the Calendar Year 1972

To the Honorable City Council:

The record of births, marriages and deaths filed in this office during the year 1972 was as follows:

Total number of births registered in 1972 748

Total number of deaths registered in 1972 472

Total number of marriages registered in 1972 229

(See statistics below for vital statistics comparison.) (Due to the fact that vital statistics records are reported to the State for calendar years, we are unable to report for the fiscal year covered by this report.)

Births Registered in Rutland—Years 1962 to 1972, Inclusive

JOHN W. BARRETT
Food Stamp Director

CATHERINE WALSH, *Assistant*

City Grand Juror

*To the Honorable City Council and
Citizens of the City of Rutland, Vermont*

In the March election, of this year, I was elected to the office of Grand Juror, replacing Robert E. West, who had been Grand Juror for a number of years.

One of the greatest problems in taking over in an office is the making of a smooth transition in the transfer of duties. This was heightened by the fact that the office of the State's Attorney had been handling all prosecutions for the City since Mr. West took over the post of Defender General. The files are now being handled by this office, and with the cooperation of the State's Attorney's office, the transition has been smooth.

Under the Uniform Traffic Ticket law as it was originally enacted, all of the fines collected for all violations were retained by the State. This meant that the office of Grand Juror, which used to be self-supporting, was no longer able to pay for itself. In the last legislative session, however, the law was amended to return the fines to the City, and this was made retroactive to the time the law was originally passed. This now means that again the office of Grand Juror is able to support itself in its representation of the City.

When the State's Attorney's office was handling the prosecutions for the City, the funds remaining in the Grand Juror's budget were returned to the General Fund. This meant that none of the expenses of the office were paid, and so little was done toward the end of the year. But funding was again provided for the office for the next fiscal year, and the position of Grand Juror has returned to its position in providing the City of Rutland with a full time prosecutor to insure the proper and complete enforcement of its ordinances and laws.

Respectfully submitted,

HENRY C. BRISLIN
Grand Juror

Assessors' Office

To the Honorable City Council

On July 1st, 1972 the Assessors office ended the first Real Estate Reappraisal of the City. The information—data and experience gained by this office will be reflected at the end of the Reappraisal now being implemented and scheduled to be in effect for 1975. We are very proud of the different card index systems we have instigated for a better and more modern method of getting and storing real estate data.

The successful operation of today's modern Assessors Office depends a great deal upon the cooperation of the taxpayers.

The Assessors Office wants to thank and compliment the taxpayers, the Mayor — the Board of Aldermen, the City Clerk's Office, the City Treasurer's Office and all of the other City Departments for their excellent cooperation.

As Chairman of the Board of Assessors I wish to state it would have been impossible to have our up to date systems operating without the skillfull accomplishments of Assessor Charles M. Franzoni and Assessor Earl F. Turner and the professional knowledge of our Secretary Mrs. Geraldine Miglis.

Respectfully submitted,

JOHN D. PISANELLI, *Chairman*
Board of Assessors

Rutland Free Library

For the Year Ending June 30, 1973

*To the Honorable City Council and
Citizens of Rutland:*

It is a pleasure to present my tenth annual report as the Director of the Rutland Free Library.

Demands on the library for its materials and services continued being on the rise, a trend which has been evident now for several years. One measure of this is circulation, which gained again for the fourth consecutive year.

The library responded to this by further increasing its programs and also by trying to anticipate some of the needs of the future. It continues to be open seven days of the week during fall, winter, and spring.

Library Materials

The Gustav H. Grimm and Family Fund now provides all book, periodical, pamphlet, and audio-visual materials for users of the Rutland Library. Audio-visuals include 16 mm films in the Children's Department, 8 mm films available in the Adult Department, adult and children's phonograph records, the Rutland Herald on microfilm, courtesy of the Herald, and children's cassettes.

This year, in addition, the library began building collections of sound filmstrips, both in black and white and in color, book-cassette sets, and book-record combinations, all available from the children's room. New viewing and listening equipment includes a filmstrip projector, cassette recorder, and earphone sets.

Much of this new material found immediate use during the course of a special project with the Vermont Association for the Crippled, for which additional records, books, and LP sets also were purchased. The Rutland Library also made the major purchase of the New York Times on microfilm and index volumes for 1960 to date.

Library Outreach Programs

The library's monthly book delivery service to nursing and rest homes, and to individual shut-ins, goes back many years. More recent are its twice a month deliveries to Templewood and to private homes, and this year Sheldon Towers was added to that route. During the winter the library also began making visits to Forest Park every two weeks for both adults and children, with book circulation to young people being especially heavy there.

Future Needs

Nearly all of the collection has been weeded of dated materials, yet space problems are beginning to assert themselves throughout the library. The staff and trustees are working on plans in this area as the library's contents quite rapidly are approaching the capacity of the building to house them.

As this is being written the library is applying to the Rutland Board of Aldermen and its Revenue Sharing Committee for assistance in a project to modernize the old courtroom on the second floor for a community meeting room. If this is done, groups of 150 to 200 persons would be able to utilize this portion of the building for public meetings of social and cultural interest.

Policy Statement

The Policy Committee of the Board has formulated a written statement of Rutland Library policy in such areas as aim, book selection with the Library Bill of Rights and the Freedom to Read statement of the American Library Association incorporated in it, gifts, displays and exhibits, use of meeting rooms, cooperation with the schools, resident and non-resident borrowers, right of access to the board, use of Vermont Room, and trustee-librarian-staff relationship and responsibility. This policy is intended to be broad and flexible and designed to serve the community to the best of the library's ability and according to experience both local and in other libraries of the country.

Highlighting the additions to the interior of the library was a double-faced, lighted exhibit case with sliding glass doors, which has been located at a busy traffic location. Contributions which members of the community already have made with their exhibits and displays are greatly appreciated, and suggestions for possible displays and exhibits are welcomed. A new phonograph record cabinet in the adult department now doubles the shelving space for records.

The library has placed a new bulletin board in its lobby as a public service. Here information on issues of current interest and of a non-commercial nature can be presented.

A twin photo-electric spotlight unit was installed on the north side to increase building security. Extensive repairs were made to the flashing and areas of the low roof over the library addition, and the interior of the new children's wing was washed and repainted.

Library Staff

Miss Vivian Hewitt retired in November after nearly 52 years of continuous service to the public as a staff member, and her cheerful presence will be missed by longtime users of the library. Loren Maynard replaced Gerald Sinn as custodian, while Sharron Sanborn was replaced as library assistant by Andrea Burke.

Rutland Library, in cooperation with eight other libraries in the city, contributed to a union list which indicates what periodicals are accessible to persons in this area. Mrs. Addie Spaulding of the staff conducted two bookmending workshops for elementary school library aides.

City school classes continued their frequent visits to the library, along with groups from Cold River, Mount Holly, and West Rutland, among others. All groups are welcomed and encouraged to visit the Rutland Library.

A Vermont Department of Libraries reference class utilized the reference collection of the library. Two library science students from the College of St. Joseph the Provider did their academic field work here through the college's spring semester.

Children's film programs and story hours were held through the summer months and during the year. Miss Christine Price of Castleton, author and illustrator, held a story hour during National Children's Book Week in November. Marking that week also were a detailed display of how a book is made, and a contest to determine a favorite author.

Displays in the Blue Cross-Blue Shield windows downtown and in the children's and adult departments of the library were among features of National Library Week in April. The publicity given to library programs by the Rutland Daily Herald, by radio stations WHWB and WSYB, and by Channel 12 was much appreciated.

A reading of Noel Coward's "Brithe Spirit" by the Sometime Theatre was a special presentation, sponsored by the Rutland Free Library Association and paid for by Association membership dues. A very successful book sale was held in the small basement meeting room in August.

A bequest from the estate of former area resident Felix J. Siegl was received for the purchase of children's books in memory of his wife May H. Siegl. During the year the Director served on the Vermont Library Association Nominating Committee. Children's Librarian Carol Chatfield was a member of the Outreach Panel at a special services program sponsored by the Vermont Department of Libraries at the Vermont Association for the Crippled in Rutland.

Board of Trustees

The Board meets regularly each month except for July and August, with frequent committee meetings held in addition. Every trustee serves on one or more of these committees. The officers of the Library Board this year were Mrs. Howard T. Swain, President; Dr. Gordon B. Smith, First Vice President; Lincoln M. Fenn, Second Vice President and head of the Personnel Committee; Mrs. Verne J. Goodwin, Secretary; and Richard L. Noel, Treasurer and chairman of the Finance Committee.

Other committees and their chairmen were House and Equipment, Mrs. Robert E. Bossardt; Nominating, Mrs. Robinson E. Keyes; and Policy, Mrs. Bernard R. Dick. Serving also on the library board were Mrs. James F. Chase, John A. Densmore, Walter M. Moore, Mrs. Getty Page, Richard F. Sullivan, and Mrs. Merritt Thomas.

By vote at the Annual Meeting in September, 1972, the by-laws were amended to give library board representatives from Rutland Town and Mendon voting rights on the board, since their towns contribute to library support.

I would like to express thanks to the staff, trustees, and city officials for their help and cooperation during a busy, challenging and dynamic year. This appears to be the pattern of the future, as the library continues to make efforts to meet the increasing demands for its services.

Respectfully submitted,

CHARLES D. MAURER, JR.

*Director of the Rutland
Free Library*

Planning Commission

I wish to submit a report of the activities of the Rutland City Planning Commission for fiscal year 1973.

The two principle objectives of the Commission for this period were:

1. Adoption of Municipal Development Plan.
2. Revision of Title 31—Zoning and Planning of the Rutland City Ordinances.

These two projects were necessary in order to bring the Zoning and Planning of Rutland into conformity with 24 V.S.A., Act. 91.

The urgency of the matter prompted the commission to accept funded aid provided through the Regional Planning Commission and after interviewing several applicants the services of Mr. Stanley Judkins of the Environmental Consulting Group, Inc., Hanover, N.H. were engaged.

This assistance made it possible to complete both projects and after due process of public hearings present them to the Board of Aldermen on January 15, 1973, for their consideration.

The Board of Aldermen conducted a Public Hearing and did adopt the Municipal Development Plan and the Zoning By-Law Amendments on February 26, 1973.

The Commission also considered and made recommendations to the Board of Aldermen, as requested by resolution of the Board of Aldermen, on the following development projects, subject to 10 V.S.A., 151 (Act 250).

Just Gold Shopping Plaza	—	Town of Rutland
Odessey Condominioms	—	Mendon
Medical Arts Center	—	Stratton Road
Pond Meadow Park	—	No. Main Street
Modular Home Park	—	Town of Rutland
Re-zoning Mussey St. Lands	—	Forte and Chioffi
Re-zoning Granger St.	—	Giancola

I wish to thank his Honor the Mayor, The Board of Aldermen, and all City Departments for their cooperation. Special thanks are in order for the members of this Commission who have given of their time and talents throughout this past year.

Respectfully submitted,

ROGER M. PIKE, *Chairman*

RUTLAND REGIONAL PLANNING COMMISSION

To: *The Honorable City Council and
The Citizens of Rutland*

It is a pleasure to submit this report, not only to express the Commission's appreciation for Rutland City's participation in its activities, but also to comment briefly on some of those activities.

Generally, the RRPC provided technical and secretarial assistance in the preparation and adoption of local plans and by-laws, served as an information resource (often for items not elsewhere available), served as a forum for discussion of common problems, sponsored training courses and public meetings, provided aerial photography, served as a temporary disaster relief center during recent flooding, monitored and provided copies of legislation of interest to the area, served as liaison between local and state or Federal governments, reviewed development applications and otherwise made available its good offices and its staff services.

Especially significant to the City was RRPC effort in securing additional funds to prepare a master plan and update the zoning regulation. These were subsequently adopted, preventing the possible loss, at that time, of zoning protection which Rutland has had since 1948.

The RRPC looks forward to continued working with the City, appreciates the City's interest in the Region as a whole and thanks the officials and citizens who have helped. Rutland City is represented on the Commission by Clarence Whitney who also serves as Vice Chairman and member of the executive committee and Wayne Edson who serves as Alternate Commissioner.

Respectfully submitted,

PERCY B. PHILLIPS, *Chairman*

RUSSELL L. MORGAN,
Executive Director

VERMONT STATE DEPARTMENT OF HEALTH
ANNUAL TOWN REPORT, F.Y. 1971-72

This is a report to the residents of your town describing the health services which have been rendered during the state fiscal year July 1, 1971 through June 30, 1972. These services are carefully planned so that maximum benefit may be gained from each tax dollar. For instance, one clinic may serve many towns if the number of patients is small. On the other hand, when a service is needed in a town or city, we make every effort to provide it.

I invite you to discuss this report with your friends and health officer, and I would welcome any impressions which you care to forward to me.

The following is a list of some of the health services to the residents of Rutland City.

Number of Well-child and School Medical Conferences, and Immunization Clinics held in this city	4
Attendance of city residents at above conference/clinics in this or nearby cities	43
Number of children aided under Child Health Programs (Child Development Clinic, Handicapped Children's Clinics, Pediatric Consultation and Diagnosis)	102
Attendance at dental health, brushing, and flossing classes, and dental inspections	—
People X-rayed for tuberculosis detection	493
People X-rayed for occupational diseases	187
People served by tumor diagnostic screening services	53
Attendance at diabetes clinics or physician office screening for diabetes	141
Attendance at glaucoma screening clinics	45
Attendance at amblyopia screening clinics (3-5 yr. olds)	62
Diphtheria, tetanus, Whooping cough immunizations	9
Polio Immunizations	4
Smallpox Immunizations	2
Red Measles (rubeola) Immunizations	10
Rubella (German Measles) Immunizations	15
Number of water samples from supplies serving the public	456

Blood specimens tested (pre-marital, pre-natal, and other)	1037
Other laboratory specimens	923
Nutrition and dietary consultations, demonstrations, services	79
Inspections and consultations to hospitals, nursing homes, and homes for the aged	50
Sanitary inspections and consultations to licensed food and lodging establishments and to other public and private facilities	961
Public Health Nurse visits to individuals	892
Number served by above visits	542
Other consultations, program, and group service activities of Public Health Nurses to residents of this town, or held in this town for area residents	152

The Home Health Services program, in addition to providing for the survey of home health agencies as required by Medicare, works cooperatively with the Division of Public Health Nursing, works closely with the Vermont Assembly of Home Health Agencies and the Agency of Human Services in seeking the provision of certified home health care available to all the people of the State.

Respectfully submitted,

R. B. AIKEN, M.D., M.P.H.
Commissioner of Health

Rutland Mental Health Service, Inc.

ANNUAL REPORT FOR RUTLAND CITY 1972 - 1972

To the Honorable City Council and
City of Rutland:

During this past year Rutland Mental Health Service has been undergoing very significant organizational changes with the approval of its Board of Directors and the Vermont Commissioner of Mental Health. These changes were instituted in order that programming within Rutland Mental Health would be more effectively carried out and thereby increase the quality of services afforded to the people of Rutland City.

Rutland Mental Health has reorganized its structure as follows:

	Board Structure	
	Executive Director	
		Administration
		Volunteers-Public Relations
		Transportation
		Research
Outpatient Services	Hospital Related Services	Consultation and Education Services
Director	Director	Director
Direct Treatment	Inpatient	Children
Child and Adult	Day Treatment	Schools
Mental Retardation	Emergency	Mental Retardation
Pre-school	Pre-screening	Youth activities
Youth activities	Aftercare	Adult
		Training
		In-service
		Community

This organizational change has also been partially responsible for our recent increase in reaching out to the community and its caregivers by way of providing consultation and education as well as direct service. In order to meet an increasingly heavy demand for our services we have increased our professional staff to well over forty full and part-time personnel. These include psychiatrists, psychologists, social workers, rehabilitation counselors, occupational counselors, nurses, teachers, community workers, technical and secretarial staff.

In the past year over 1,000 Rutland City citizens were provided a variety of services by Rutland Mental Health Service. Many of these changes within these services will be briefly described as follows:

1. *Counseling Services:* The Counseling Services continued to provide for an increasing number of individual applications for services. These counseling sessions included individual, family marital counseling, psychological and psychiatric evaluations and group activities. Currently the staff is evaluating the effectiveness and efficiency of various types of group therapy as the referrals from the community continues to increase. Also, there is ongoing follow-up evaluation of the program services by the consumers in the city.

2. *Youth Activity Services:* The Youth activity program for the past year served a record number of individuals via the implementation of Ritter Kamp, a summer camp based activity program, and the addition of three outreach programs. This was done by utilizing para-professionals individuals to run these programs under the supervision and consultation of staff from Rutland Mental Health.

3. *Pre-school Program for the Developmentally Disabled:* This program continued with an enrollment of over 25 children, ages 18 months to 7 years, who are considered to be functionally retarded who are not already involved in a pre-school program. Five classes are held each week, three of two and one-half hours duration for the older children, and two of two hours duration for the toddlers group (18-36 months).

4. *After Care:* The After Care program continued to maintain an active caseload of between 150 and 180 individuals with a strong emphasis on a continuum of care-providing alternatives to hospitalization and providing a continuation of care upon discharge from hospitalization—i.e. either from the State Hospital or from local facilities. This program has been regarded by the State Department of Mental Health as one of the top "Aftercare" programs in the State of Vermont.

5. *Day Treatment:* Day Treatment has remained in a static situation, caring primarily for chronic individuals discharged from both state and local programs. Current planning is underway for the institution of a new and short-term After Care program which will be located in the newly completed facilities in Rutland Hospital.

6. *Inpatient:* Inpatient services within Rutland Hospital have continued to provide a necessary alternative treatment program.

7. *Pre-Screening*: Recently we have re-instituted a pre-screening program which is tied in with the existing emergency program. The pre-screening is defined as providing an alternative route to hospitalization both at the State Hospital level and within the county itself. The thrust is to provide an alternative of care other than hospitalization.

8. *School Consultation*: Anticipating new staff making possible a strong outreach effort, the program in the past year has emphasized maintaining and augmenting services to schools who have contracted for service. New efforts include disability screening for K-Grade 2 youngsters, group counseling, mental health classroom instruction, consultation to junior and senior high school guidance counselors, and in-service programs for elementary teachers. Quarterly reviews of the service by most institutions has been initiated.

9. Our Emergency services continue to provide 24-hour, seven day a week crisis intervention. This is accomplished through three primary modalities:

1. the outpatient staff of Rutland Mental Health and the emergency room staff within Rutland Hospital,
2. full time backup coverage by psychiatrists,
3. the utilization of after hours and weekend "blue phone" system which enables anyone within the City (or County) to reach for assistance by the telephone. This mechanism has proved effective not only in the issues of crisis but for issues of general life problem intervention.

We are looking forward to the opportunity of continuing to serve the people of Rutland City ever striving to increase the quality of our services.

Sincerely yours,

GILBERT D. ALIBER
Executive Director

City Attorney

To the Honorable City Council,
City of Rutland, Vermont:

Gentlemen:

I respectfully submit the Annual Report of the City Attorney for the Fiscal Year 1972-1973.

During the past fiscal year we have encountered many new areas of legal concern to the City and to the City Attorney's office. I believe all of us are aware of the new environmental litigation we have been involved in, which we can reasonably expect to increase in the future. A good deal of time in both the City Attorney and other City Departments, primarily the City Engineer's office, has been devoted to the proposed Odyssey complex in Mendon. This development was planned for location within our Watershed, and we should expect future attempts to locate developments in this area. We have also been involved in the proposed construction of shopping areas outside of the City, which give rise to environmental concern to the City and residents located near the proposed complexes. It would be my suggestion that copies of all applications for permits under Act 250 should be routinely sent to the Environmental Control Committee, so that the City Council would be instantly apprised of any proposed construction or development in the area.

We have also felt the first impact of Revenue Sharing Funds in the City. The proper handling and application of such funds have demanded intense study of Federal statutes and close cooperation with the Vermont League of Cities and Towns, Inc., which has been an excellent agency in keeping the City abreast of the latest changes in this field. I am personally pleased that the Revenue Sharing Committee and the Mayor's office are working closely together to make sure the City stays within the Federal guidelines and expends our Revenue Sharing Funds in a proper and legal manner. I think we could look forward to more complex regulation in this field if it follows the normal course of Federal programs, and will demand the close attention of the City Council and the City Attorney's office.

I shall now attempt to outline in concise form some of the activities of this office:

Litigation

Cases have been litigated in the Federal, State and District Courts during the past year. A claim against the Rutland Police Department and the City was successfully disposed of, and the litigation regarding the "TOPICS" program has been brought to an end. Several matters are still pending in the Rutland County Court, including several tax appeals. The past year has seen a reduction in the number of tort claims filed against the City seeking reimbursement for injuries, which is a healthy trend and I hope will continue during the present year. Assistance regarding litigation over tax matters was rendered to the Assessor's office and much time was spent in preparation and appearances before environmental boards on matters pertaining to Act 250 hearings. The Board closely participated in many of these activities and is aware of developments in this area. This office will continue to attempt to appraise the Board of developments in litigation as they arise.

Legal Advice

Advice and legal assistance was rendered to the Mayor, various Department heads, the Board of Aldermen, and aldermanic committees, as situations arose throughout the year. Close cooperation was rendered by the City Clerk and the City Treasurer's office, along with valuable input from the City Engineer's office. A great deal of time has been devoted to research and opinions rendered on legal questions, which are on file in the City Clerk's office.

Besides these activities, the normal day-to-day legal problems arising in a municipality the size of Rutland, have been dealt with as they develop. Our various building projects and participation in State and Federal projects have required the review and drafting of various documents and contracts. Our active program of expansion of school facilities has resulted in a close contact with Mr. Thomas Chesley, our Superintendent of Schools, in seeing the new vocational high school through to conclusion. Additional contracts have been drawn and executed with various parties in the City in our increasing attempt to expand our facilities and programs in the school system. This office also continued assistance in the Union negotiations and labor problems as in the past.

I would like to thank the Mayor, the Board of Aldermen and all the City Department heads for the valuable assistance rendered to this office during the past year.

Respectfully submitted this 29th day of August, 1973.

RICHARD W. NORTON
City Attorney

Rutland County Humane Society, Inc.

ANNUAL REPORT FOR RUTLAND CITY
1972 - 1972

*To the Honorable City Council,
City of Rutland, Vermont:*
Gentlemen:

During the fiscal year 1972-1973, the Rutland County Humane Society cared for 1885 animals at its Shelter. This includes dogs, cats, birds, rabbits and various other small animals. About 45% of these were from the City of Rutland. We also boarded the dogs brought in by the Dog Officer.

Our Humane Agent, Edward Wheeler, checked numerous complaints in the City, and worked with the Police Department when needed. We captured many wild animals in our traps, and released them in the country. Mr. Wheeler also checked the Rodeo and other animals at the Rutland Fair and three Carnivals at the Shopping Plaza. Many Scout and School groups visited the Shelter.

Our operating expenses for the year were \$11,440.84. This is an average cost of slightly more than \$6.00 per animal handled. We received \$3,000.00 from the City, the balance coming from memberships, Towns in the County, individual donations and fund-raising activities.

During the year we hosted the Convention of the New England Federation of Humane Societies and the American Humane Association. Due to the dangers of the pet population explosion, we have tried harder than ever to educate people to have their animals neutered.

We thank Mayor Godnick, Ex-Mayor Foley, the members of the Board of Aldermen, Police Chief Jenne and his Officers and the citizens of Rutland for their support and cooperation.

Respectfully submitted,

ELLEN H. PORTER
Treasurer, RCHS

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.

132 State Street

Rutland, Vermont 05701

ANNUAL REPORT TO RUTLAND CITY

This is a report to the Rutland City residents describing the health services which have been rendered during the fiscal year 1972-1973.

The Rutland Area Visiting Nurse Association provides part-time nursing in your home for you and your families under the direction of your physician. We provide skilled nursing service, health guidance, teaching and instructions in maternal and infant care during pregnancy and after the baby arrives, Physical Therapy, Speech Therapy, Occupational Therapy, Home Health Aide Service, and a volunteer Nutritionist.

We have made 5,646 nursing visits and 1,810 Home Health Aide visits to the residents of Rutland City, giving health services. We have also made approximately 300 evaluation visits to determine health problems and refer to other agencies as we see the need. We coordinate with the Public Health Nurses for a better over-all health program. We try to have a close contact with all resource agencies in the Rutland Area so all problems and health needs can be met.

Our agency has a coordinator who works closely with Rutland Hospital and the Extended Care Facilities to give better discharge planning and more continuity of patient care when the patients are able to go home.

We continue to be certified under the Medicare program to be able to serve our Senior Citizens through this program.

Our agency is constantly growing and trying to improve services. We have started our Preventive Clinic Conferences for the residents of Templewood Court and Sheldon Towers.

We work closely with the Vermont Assembly of Home Health Agencies and the Agency of Human Services so we may bring the best possible health care to your city.

We appreciate your support and hope you will continue to see the growing need for more health care in your city.

Respectfully submitted,

EVELYN MORGAN
Director

*The Chaffee Art Gallery***CHAFFEE ART CENTER'S ANNUAL REPORT**

*Mayor Gilbert G. Godnick and
The Citizens of Rutland, Vermont*

The Chaffee Art Center is sponsored by the Rutland Area Art Association, Inc. This non profit corporation was organized to promote art in the community, to offer art education through exhibitions, displays, performances and instruction. Work by professional artists, sculptors, craftsmen and photographers are shown annually as is the work created by youth and the amateur. The Center acts as the agent for the exhibitors thus bringing their works to the public and into the homes.

The Art Center is staffed by a full time supervisor and a part time secretary. Galleries are open daily from 10 A.M. to 5 P.M. and for the convenience of visitors to our City, opening hours have been extended to include Thursday evenings and Sunday afternoons.

Annually new programs are introduced and past successful ones repeated. Our 1973 opening exhibit "Arts from the Earth" Indian Art from Coast to Coast, was the most elaborate display ever attempted. Indian artifacts were on loan from museums and private collections. In addition, area schools participated by displaying in many forms, their concept of the life of the American Indian. During this special show, 23 groups of children from many of the area schools attended. Volunteers and staff guided and explained the uses of the items exhibited. Nearly 1200 people visited the Center during this three week period.

How many people attended the annual "Art in the Park Festival", jointly sponsored by the Recreation and Parks Department and the Chaffee Art Center, is never known. We do know that even with rain both days, sales by the 53 participating artists and craftsmen topped all previous records.

An innovation from last season will be repeated this fall and if successful may become an annual event. An "Arts and Crafts Pre-Christmas Sale" was started to attract more craftsmen to the Center and broaden our arts field. The event was successful for both the artists and the craftsmen as was another first, The Rutland Garden Club's Christmas Show and Sale held in late November.

Even with the success of all of these projects the Art Center doesn't seem able to operate on it's income. I feel that once again

I would like to remind the readers of this report that our only known assets at the beginning of each year is the loan of the galleries by the Chaffee family and a \$2,000 grant from the City of Rutland. All other monies must come from contributions, donations, memberships, commissions on sales and ads in our annual brochure.

Due to increased expenses and a decrease in sales, the Center started this season with an approximate deficit of \$900. For 12 years this corporation has certainly been a "non profit" organization but never to this extent. The Officers, the Trustees and many other volunteers as well as the Staff are working harder than ever to recover.

In closing I wish to express our appreciation to the Officials of the City of Rutland and to their associates for their support and cooperation.

Respectfully submitted,

KATHERINE KING JOHNSON
President and Executive Director

Rutland Housing Authority

*To the Honorable City Council
Rutland, Vermont:*

Gentlemen:

The Rutland Housing Authority currently has 210 units of public housing in Rutland; 75 family units and the balance are elderly units. At the time of writing this report, 511 individuals were living in the combined projects.

The Rutland Housing Authority has contemplated building 100 more units, 55 elderly and 45 family units. However, all funds for public housing are currently frozen by the Administration and all applications are being temporarily held up.

We have substantial waiting lists for our three operational projects and we realize that there is an urgent need for additional public housing in Rutland to relieve the housing shortage.

Templewood Court celebrated its 5th year of operation with a luncheon held in the Community Room at the project at which time the tenants presented to staff a diary covering the highlights of the last five years. Forest Park and Sheldon Towers observed their first year of operation in April.

A tenant relations individual has been added to the staff who works with all residents. She has spent a substantial amount of her time at Forest Park and this summer a program of picnics, arts and crafts, swimming, cooking classes, field trips, etc. was carried on for the children. Both Sheldon Towers and Templewood Court tenants hold their own meetings and have created their own forms of recreation through picnics, meals, bazaars, card parties, etc.

The staff working for the Board of Commissioners are:

Willis B. White—Executive Director
Frances F. Waterman—Deputy Director
Grace F. Bean—Administrative Assistant
Sally R. Turner—Bookkeeper and Secretary
James Elder—Custodian (Templewood Court)
James McFarren—Custodian (Sheldon Towers)
James Carroll, Jr.—Custodian (Forest Park)
Jan Esposito—Tenant Relations Agent

The year 1972-1973, we feel, has been a year of progress in solving the task of providing housing.

Respectfully submitted,

JOHN A. LIBBEY
Chairman of the Board of Commissioners

Department of Education

RUTLAND PUBLIC SCHOOLS PER PUPIL COSTS AND ENROLLMENT FOR THE SCHOOL YEAR ENDING JUNE 30, 1973

City Treasurer

To the Honorable City Council, Rutland, Vermont
Gentlemen:

I present herewith the 1973 annual financial report setting forth the financial position of the City of Rutland at the close of the fiscal year ended June 30, 1973.

All debt requirements of the City were met promptly during the year. Serial bonds totaling \$280,000.00 were retired. Payments of \$10,230.99 were also made on the direct reduction loans of the Parking Meter Fund. Combined interest payments on the bonded debt amounted to \$104,767.50 of which interest amounting to \$63,536.50 was paid on outstanding school construction bonds.

GENERAL FUND: This fund is financed by revenues from general property and poll taxes, licenses, permits, fines, revenues from other agencies, charges for current services and other miscellaneous revenues.

During the fiscal year ended June 30, 1973, revenues actually received were \$116,130.43 more than budget estimates and expenditures were \$66,623.33 less than budgeted appropriations.

SCHOOL FUND: During the fiscal year ended June 30, 1973 revenues actually received exceeded budget estimates in the amount of \$420,968.30 and expenditures were \$207,237.37 greater than budget appropriations. As at June 30 there was a surplus in the amount of \$248,062.63.

REVENUE SHARING: During fiscal 1973 the City received \$774,134.00 in Revenue Sharing Funds; \$306,000.00 was appropriated to the 1972-'73 Budget and \$143,360.00 for the renovation of the old Fire Station, \$75,000.00 for Clement Drive Sewer, \$25,648.00 for purchase of land and \$141,522.00 in the 1973-'74 Budget.

The combined balance sheet presented as Exhibit A is intended to present an overall view of the financial position of the City as at June 30, 1973.

Summary statement of cash receipts and disbursements presented as Schedule 1, summarizes the activity of the various funds during the fiscal year ended June 30, 1973.

Respectfully submitted, W. J. SIMONDS
City Treasurer

Auditors' Report

*To the Honorable City Council,
City of Rutland, Vermont*

Gentlemen:

Your Auditors have made an examination of the accounts and financial records of the Treasurer and other offices of the City of Rutland, Vermont for the period July 1st, 1972 to June 30th, 1973.

This examination was made in accordance with generally accepted auditing standards and accordingly includes such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion the financial records of the Treasurer fairly reflect the financial condition of the City of Rutland, Vermont as of June 30th, 1973 and the result of operation for the fiscal year.

Respectfully submitted,

R. NEWTON OWENS
WARREN G. GOODRICH
JAMES L. RALEIGH
Auditors

Dogs and Other Animals

EXCERPTS FROM OUR DOG ORDINANCE RUTLAND CITY

§ 2551. Disturbance of quietude as public nuisance

It shall be unlawful for any dog owner or keeper to permit or allow his or her dog or dogs to habitually howl, bark, or in any other manner disturb the peace and quietude of the community. Such conduct is hereby declared to be a public nuisance.

§ 2552. Confinement

(a) The owner or keeper shall confine within a building or secure enclosure every dog, and not take or allow such dog out of such building or secure enclosure unless such dog is on leash or under control of some person, or securely attached to an exercise wire.

§ 2553. Impoundment; notice thereof

Dogs found running at large may be taken up by a police officer or duly authorized agent and impounded.

§ 2555. Penalties

Any person who violates any provision of this chapter shall be fined not less than \$10 for the first offense, not less than \$15 for the second offense, and for the third or any subsequent offense shall be fined not less than \$20 or imprisoned for ten days.

IT'S THE LAW

No person owning, operating or controlling a motor vehicle shall park, or cause to be parked said motor vehicle on any street or highway within the central business district of the City of Rutland from 3:00 A.M. to 6:00 A.M. inclusive.

IT'S THE LAW

You cannot plough your driveway snow out into a city street.

IT'S THE LAW

You cannot use your power mower OR snow blower in such a manner that they blow grass or snow into the streets.

Anything you can do to help keep this city clean will be appreciated!
